Reward for Information Leading to Harmony Montgomery Increases to \$150,000

As Manchester Police continue to investigate the disappearance of 7 year old Harmony Montgomery, we are pleased to announce another pledge of monetary support.

The reward for information leading to the whereabouts of Harmony has now increased to \$150,000. This was made possible by Bernice Thomas of Nashua who has increased her original pledge. We hope this increase may be what it takes for the right person to come forward.

Manchester Police are working on Harmony's case every day and following up on all tips that come in. While the volume of tips has decreased, we are still getting calls on our dedicated tipline. If you have any information that could help us find this little girl, we ask that you call 603-203-6060.
